

Swimming
Against...

THE TIDE

From Wedgies To Air Guitars: A Portrait of the Class of 1992

The cry of "WEDGIE!!!!!" pierced the air frequently during the 1988-89 school year--our freshman year at MHS. Okay, granted, we weren't the most well-adjusted group of fourteen year-olds. Hardly dorks--we were just, well... sort of goofy. It was hardly our fault, however. Moving from the confines of middle school, we were thrown into the fray of high school, dwarfed in comparison to our older classmates, clueless and afraid of being stuffed into lockers. We didn't even have class officers or a class advisor--no one wanted to take us! We were swimming in different directions in the fishbowl of MHS. Even the head fish's few words of wisdom were limited, on the very first day of school, to "Today is the first day of the rest of your lives"--hardly a battle cry of unity. As a class we had yet to bond into the family we would become by the time senior year came along. All we knew, that first day at MHS, was that it was the first day of the next one hundred eighty days of our freshmen lives, and that the swimming pool was on the third floor... next to the helicopter pad. Ironically, the highlight of our first year together came with a lone Bomb Scare. As puny freshman, we desperately needed some push to become what will inevitably be known as the best class MHS has ever produced.

Sophomore year was... well, let's just say we still needed a little more pushing. As sophomores we were a little older, a little wiser, a little bigger... and still a little goofy. Fortunately, wedgies became more and more infrequent--evidently we were a little heavier as well. Anyway, as a class, we still went our separate ways--the administration still couldn't find a person willing to advise us, and to build on the "Today is the first day..." line. However, without class officers, we did our best to come together--though the best we did was another Bomb Scare that this time brought us over to the Furnace Brook gym. Inevitably, with two bomb scares--yes, two!--under our belt, we were ready to move on. The Class of 1992 had waited long enough to break out of its unguided shell--and the opportunity came late sophomore year. After a long year of classes, Mrs. Ross, the principals' "Fruit-of-the-Loom" Halloween act, and even the occasional wedgie, we were finally given class elections.

The first two years of our high school existence spent waiting in the wings--and in gyms during bomb scares--our time finally arrived to take the helm of MHS and guide it to higher levels than ever before. We were up to the challenge.

It was obvious from the start that our junior year would be different than any other. Instead of bomb scares and wedgies, we had a Semi-Formal--which we went to as UPPERclassmen, and not as underclassmen geeks. Instead of acting like typical indifferent, boring sophomore and freshmen pinheads, we developed the personality that had been straining to be released for so long--it exploded in humor, spirit, and friendliness. We contrasted all past classes at MHS. The Class of 1992 officially became cool. Faced with numerous adversities, incredibly we stayed together, persevering through budget cuts, PSAT's, college-fairs... even sadistic English teachers (take your pick). As the year continued, driver's licenses abounded--for the first time we were free from the "Loser Cruiser"; we could leave school whenever we wanted... (cough) I mean, as soon as the bell rang at 2:02. To top this monumental year, we had the guts and enthusiasm needed to raise the Air Guitar contest from ashes, to rock the school in March. A united effort by our class brought the contest to new heights of success and fun--and just a reminder: MR. GARDNER AND MR. PEARCE LOST!!!!. Ahem... anyway, the contest proved just how spirited, creative, hard-working, and fun we had become. Following this event, we pulled off the Prom in style--and, for the first time, out of the gym. Who would have thought we'd have come this far in so short a time. But, there's more!!!! In one of the most memorable basketball games in MHS history, Marshfield, led by members of our class, and Dennis-Yarmouth dueled endlessly for six overtimes. Even the softball team fought out a late-inning victory over rival Randolph in an unparalleled game.

Surely, our Junior year was a year like no other.

However, then we became seniors. We became the ones who'd dish out the wedgies--we called the shots. (The administration only thought they were in charge!--just kidding, Mr. Deftos.) Seriously, however, to repeat our junior year would have been an impossible task for any class, BUT the Class of 1992. With as much enthusiasm, and as good-spirited, and as blessed with humor, fun, and confidence, as we were, it was no problem. By 1991-92 we had become a family; we respected and appreciated and cared for one another--unique for any class, but normal for us. Facing the intimidating task of college-hunting and SATs and applications, we continued to make MHS a fun place to be. We pulled off an incredible Semi-Formal; the Football team, led by seventeen seniors, capped its season with its first conference title since 1972, in a thrilling win over Duxbury. Even the Girls' and Boys' soccer teams kicked butt this year. Basketball and hockey also proved to be the hot tickets of MHS--each advancing into the state tournament. And who could forget Senior Night Out, which became the highlight of the New Year? Dancing the night away at the Pembroke Country Club to The Jackson 5's "ABC" and other great tunes represented the epitome of our enthusiasm. And with Senior Field Day, Senior Banquet, and the Senior Talent Show... well, should I even continue? They speak for themselves.

We are a unique class--with a personality all our own. During our four years together we accomplished may great things--having had a great time all the while. Few groups of students come along like us. First, a class going in all different directions, we came together to swim in unison against the mighty tide, not only of MHS, but of our lives. The Class of 1992 will surely be one remembered for years to come--be proud to have been a part of it.

DEDICATION

Mr. Clifton Olin Doten, Jr.

Marshfield High School 1992 Yearbook Dedication

Hardly an hour of the Marshfield High School day goes by when Clif Doten isn't being asked to call the office. When things go awry, people look for Clif. More than one desperate student has been saved by our always "key-carrying" custodian. Not only in our moment of need, however, has Clif been there for us. He can always be counted on to help with any task but more importantly to extend a warm smile and a kind remark. Through his positive and friendly approach to helping students, Clif has made Marshfield High School a more pleasant place to be for the past four years.

The Class of 1992 is grateful to Clif for his tireless behind-the-scenes work. He has become an indelible part of the fabric of MHS. His presence, though not always seen, has always been felt. He has helped to make our high school experience not only smoother, but friendlier. In recognition of his kindness and dedication, it is with great pleasure and pride that the Class of 1992 dedicates its yearbook to Clifton Olin Doten, Jr..

The M.H.S. boys soccer team had a very successful season in 1991. The team finished 2nd in the Atlantic Coast league, boasting a 13 win/2 loss/1 tie league record and an overall season record of 16-3-1.

Marshfield outscored its opponents 51 to 12, recording 12 shut-outs in the process. The '91 RAMS boasted their best ever goals against average of .600 over a twenty game season. Ram goalie Todd Fraser led the Atlantic Coast League with a .483 g.a.a. and sophomore Bill Deftos led the team in scoring with 12 goals and 5 assists.

In the State Soccer Tournament the team defeated Durfee 2 to 1 and lost to Natick 2 to 0.

Marshfield had 4 players elected to the Atlantic Coast League all star team: Todd Fraser, Shane Paquet, Joel Heberlein and Tom Murray. Senior Todd Fraser was also elected to the Eastern Mass. Coaches All-Star Team while junior Tom Murray was selected to both the Eastern Mass. All Star team as well as the All-State team.

The RAMS graduated 5 seniors:

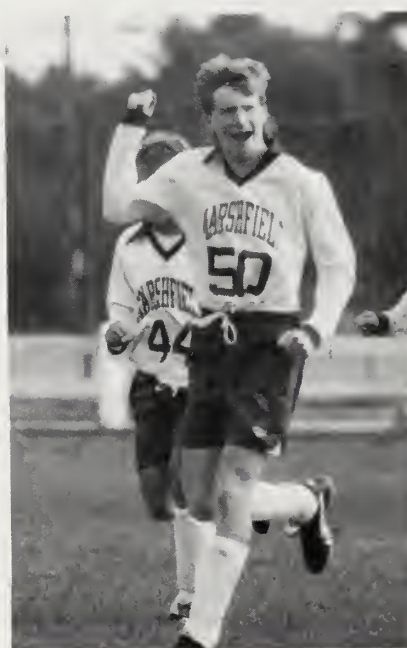

Adam "Carlos" Cupples (captain), Todd Fraser, Mike King, Sean Madden and Shane Paquet (captain).

Seniors: Shane Paquet, Sean Madden, Michael King, Adam Cupples, Todd Fraser.

Standing: Coach Montminy, Mary McMahon, Ben Weinberg, Chris Barrett, Tschol Slade, Todd Fraser, Matt Murphy, Matt Fitzgerald, Rich Arena, Bill Deftos, Mike Cosman, Matt Nash, Jeff Baxter, Bill Travers, Adam Thomas. In the seven years I have been coaching Girls Soccer at MHS, this year has been the most rewarding. The team finished with the best record ever, 13-5-2.

Third place in the newly established Atlantic Coast League and seeded 12th in the South Sectional Mass State Tournament, you all should be proud. You defeated a strong Weymouth Squad in the first round, and made it to the quarterfinals in the tournament. That means you are one of the top 8 teams in our division.

This year also saw 2 Marshfield girls selected as All-Stars in the League, Sue Curtis and Jen Smith. Sue was selected as the top goal tender in the League, recording 12 shut-outs and a 0.82 goals against average, while Jen (her second year as all-star) finished 3rd in the League in scoring with 14 goals and 14 assists. I would like to take this opportunity to congratulate Sue, Jen and all of you for a "Great Season".

Once again, congratulations
Coach Fred Podbelski

FOOTBALL

Cheerleading tryouts

The 1991 Rams Varsity Football team finished the season with a record of 8 wins and 2 losses for a share of the ACL Championship. This was the best record for the team in over 20 years.

The team was led by Captains, Ed Brooks, Steve Ruisi and Dan Cahill. These players along with Mark McDonough and Matt Griffith were elected to the All League Team. Receiving Honorable mention to the All League Team were Jim Ruisi and Mike Holte.

The Rams are looking to continue their winning ways next year under the leadership of Co-Captains Mike Holte and Jason Cushman.

The coaching staff would like to thank the Seniors for all they have done for the football program at M.H.S. We wish you all great success in your college endeavors.

CHEERLEADING

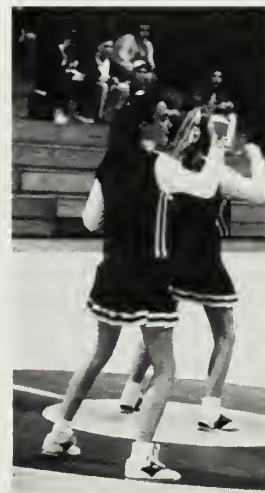

To all of the Varsity cheerleaders:
Thanks for you're hard work and enthusiastic spirit! We've had a lot of fun memories and many laughs. Each person contributed to the squad in their own special way. A sincere thanks to our coach "Sug!" We appreciate you're dedication and influence. Good luck to everyone in their future plans. We will all leave the 91-92 cheerleading season with echoing sounds of Come on move this ... and Go Marshfield Go ... Thanks again to everyone, the memories and good times we had will be remembered forever.

GIRLS FIELD HOCKEY

This year's team was lead by Tri-captains Lori Atwater, Erin Collins and Gillian Dunn.

The loss of Tara Athanasiou early in the season and difficulty scoring made for a difficult year. The highlight of which was the rain soaked 0-0 tie with powerful D-Y. This lifted the girls spirit and made the League take notice.

Three girls were named to be League All-stars Gillian Dunn, Kim Golembeski and junior goalie Joyce Tamulevich. And Kim was a Patriot Ledger All-Scholastic.

GIRLS AND BOYS CROSS COUNTRY

The 1991 Marshfield High School boys and girls Cross Country teams had very successful seasons. The girls team recorded 2 wins and 3 losses, while the boys team finished the season with 3 wins and 4 losses. The boys Cross Country team was awarded the team sportsmanship award by the atlantic coast league coaches. Senior co-captains Mike Harty and Mark Shields finished a fantastic 4 years of cross country at M.H.S. Both seniors were voted to the A.C.L. All Star team, and both Mark and Mike finished in the top ten in all the large league and state meets. Mike had the best finish of any Marshfield runner, placing fourth in the state class meet, and seventh in the All State meet. The Cross Country program should remain strong with the return of 2 sophomores, 2 freshmen, and 9 eighth graders.

ICE HOCKEY

The 91-92 Running Rams exploded the year ending up with a 19-4-1 record and runner up in the Eastern Ma Div. II finals. Dominating the ACL were seniors, Brendan McDermott, Kevin English, and Chris Dalzell, having the highest scoring percentage in Div. II., backed by the awesome goaltending of Pat Ford and Doug Johnson. The relentless hitting and overpowering of Mike Sands, Mike Nagro, and Chris Sheehan rocked the league. Kevin Walsh's numerous talents on defense stopped every intruder from scoring on the Rams. The superplay of Dan Sheehan in the beginning of the season helped us go to the state tournament, but an injury stopped him from going all the way. The coaching of Jack Crowley, Jim McSweeney, and Mike MacDonald, helped the Running Rams to be the best team in Marshfield High's history.

BOYS BASKETBALL

The Marshfield High Boys Basketball team had a thrilling season. They showed true character and poise in each and every game. They gave one hundred and ten percent on and off the floor, defensively and offensively. Unfortunately, they were matched up with the likes of Durfee, Charlestown, and Duxbury, all of whom were ranked within the top five schools in the state. This reflected a record of 13 wins and 7 losses, a record not worthy of their basketball talents. They placed second in the league, a fact they should be proud of. I congratulate the varsity squad and wish them luck in the future.

GYMNASTICS

A back to basics program implemented this year with the arrival of Coach Theresa Nielsen, is the present and future strategy for this young team. The team is rich in spirit and enthusiasm despite few victories in the Atlantic Coast League. Senior Captains, Meghan Cook and Mee Soon Ellis, have shown solid leadership in practice sessions as well as competitions. Co-Captains and fellow classmates, Erika Twomey and Jeanette Weaver have shown tremendous comradity and sportsmanship throughout the season. Upcoming stars for this 28 member team are, freshman Erika Hoehn and eighth grader Kate Biviano. All around efforts from Juniors Trina Gilarde and Rachael Diana will lead the way to a bright and victorious future.

WRESTLING

The 1991-92 Marshfield wrestling team had an exciting and challenging season. The team led by senior tri-captains Todd Constantino, Gilbert Kent, and Matt Goodwin finished with a very respectable 13-7 record. Six of the seven losses were decided by one match.

The highlight of the season was the South Sectionals where MHS had 5 place winners who, by virtue of their showing in the Sectional meet, qualified for States. Senior Bill Sheehan (189), Rich Dimino (171), and Matt Goodwin (160) each finished 2nd in Sectionals. Other Sectional place winners were: John Haney (112) 3rd and Tom Platt (135) 5th.

Tri-captain Matt Goodwin with a season record 20 wins and 0 losses and a 1st place finish in the Marshfield Holiday Tournament was this year's team M.V.P.

Coach Kenny is proud of the accomplishments of all the team members and wishes for the departing seniors all the best in their future endeavors.

LACROSSE

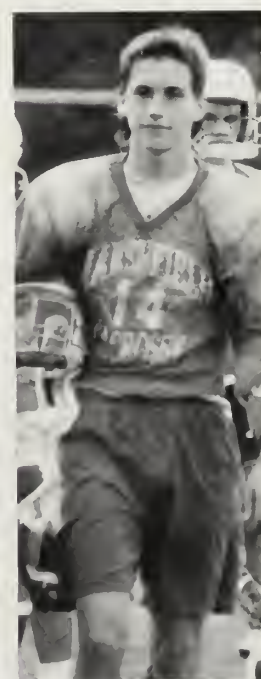

Founded in 1991, the Marshfield Lacrosse Club wound up that first season by winning four of its last five games. With a nucleus of 12 seniors the team began the 1992 season strong and won its first six games before dropping an overtime loss to Cohasset's varsity on a disputed goal in a snowstorm. Other high points for the club, coached by David Bostwick, were wins over Wellesley and Concord while a 15-1 loss at the hands of Lincoln-Sudbury JV to end the 1992 season was a definite low point. The Club's "lifetime" record over its beginning two seasons is 12-500, and lacrosse has definitely taken hold in Marshfield.

With 46 players signing up this spring, the Club created a Youth team. Made up primarily of 8th and 9th graders, the younger group played a seven-game schedule under coach Dan Collins against rivals such as Duxbury and Cohasset. About the club's future, founder Robby Robinson says, "losing a dozen seniors creates lots of room for next year. We're hoping for closer ties with the high school, an even bigger player turnout, a varsity level schedule for the Club team and more and better games for the Youth team."
